Spring Cleanup Planned for April 27th

The annual Neighborhood Spring Clean Up will be Saturday, April 27, from 9 a.m. to Noon. We're once again teaming up with the Indian Village and South Salt Creek neighborhoods to combine resources for one big community event.

This year, we're moving the cleanup site to our partner Star City Recycling's facility at 141 Harwood Court, which allows us to take advantage of their full spectrum of recycling resources and will keep many more materials out of the landfill. Star City works with multiple local non-profits so your donated items will go directly to folks in need within the city.

While we're excited about the new recycling opportunities, as in past years, we will have roll-off dumpsters available to accept large household trash items, as well as a separate dumpster to accept yard brush. Unfortunately, we cannot accept leaves or grass clippings - only tree limbs. We cannot accept hazardous waste materials. The city's next drive-through hazardous waste collection event is Saturday, May 4, from 9 a.m. to 1 p.m. at Star City Shores.

Neighborhood Garage Sales June 8

On Saturday, June 8, 2024, the Irvingdale Neighborhood Association and Indian Village Neighborhood Association will once again be joining forces to host a coordinated neighborhood garage sale event. This is a great opportunity declutter and take advantage of the free advertising and increased neighborhood traffic by holding multiple sales on the same day. INA and IVNA will advertise and provide additional signage.

If you'd like to participate, click the link below to sign up. Closer to the sale date, you'll receive a survey asking about the items you'll be selling and any other specifics about your participation (ex. your sale will have extended days or hours, is located in the alley, etc.).

All you need to do is start assembling and pricing your items. The committee will take care of promoting the sale and developing maps with addresses and sale descriptions. Watch the [INA Facebook page](#) and [website](#) for any updates.

Dolly Parton's Imagination Library Now Available to Irvingdale Children

Do you have young children in your family? Do you like FREE books? You can now enroll your kids in this innovative program and they'll receive a free book every month.

The Imagination Library, founded by Dolly Parton in 1995, mails more than 2.6 million books directly to children's homes each month, and registration in the program has recently expanded to our neighborhood! Each child enrolled in the program receives one carefully selected, age-appropriate book per month from birth until their 5th birthday - at no cost to families.

This program is sponsored in Lancaster County by Linked2Literacy, with additional funding from the Lincoln Community Foundation, Viking Foundation, The Acklie Foundation, JEO Foundation, and private community donations.

Visit www.imaginationlibrary.com/check-availability to register. Learn more about Linked2literacy at www.linked2literacy.org.

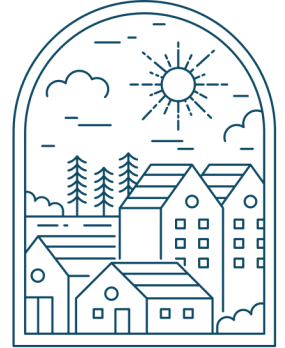

Community Gardens Information

Community Crops coordinates community gardens throughout the city, including one in our neighborhood at 14th and Hudson. The garden plots in this location are full for this year, but if you're interested in other locations within the community or getting on the waitlist for the 14th and Hudson site, please contact Megan Baker at mbaker@familyservicelincn.org or (402) 474-9802.

WHAT MAKES A STRONG NEIGHBORHOOD?

- ✓ Residents who take pride in their living environment
- ✓ A low crime rate
- ✓ Superior schools
- ✓ An abundance of outdoor activities
- ✓ Neighbors who connect and come together for the betterment of their area
