**Property of the Month**

**Holiday House:** 2666 S 11th - Brenda K Brehm

I chose this one because it looks Christmasy in the daytime as well as at night when the lights are on. Not extravagant but nice.

**Mayor's Neighborhood Round Table**

No meeting in November due to Veterans Day.

## **UNFINISHED BUSINESS**

### **Bylaws Committee**

Gender removed, currently working on less formal language, shorter length, and more approachable language in general.

Will meet again December 20th.

### **Traffic Accidents on 22nd and Lake Streets**

The city sent email acknowledging receipt of the request to perform a traffic study at the site. Country Club meeting had Chris Dunker (Lawrence Journal Star), as well as another neighbor gave testimonies. Country Club and Irvingdale are pushing to have the traffic study occur while school is in session.

### **Fire Station**

Fire Station is about 30 days behind, they had some issues with the Van Dorn drive, either re-pouring one of the drives, not pouring, or not having weather cooperate.

They are looking to hosting an open house, there's not really a consistent way the mayor's office does these things, sometimes ribbon cutting, party, or low key deal. They are looking at doing an early morning open house and ribbon cutting in the afternoon. They want the open house to occur before the fire trucks are in there, so that they can display everything before moving in, then pulling them in at the end of the event.

Potentially having a joint meeting with the fire station, IVNA, and INA.

### **CLC/SNAC**

Isaac attended the SNAC meeting and discussed issues with parents in attendance, details were sent to board.

### **Eiseley Creek**

No discussion, tabled until Eiseley Society hears back from Geographic Names Commission.

## **NEW BUSINESS**

**May meeting rescheduled to accommodate the primary elections, meeting will work in May 7.**
