Property of the Month

Most Improved:

Kenneth Eloge - 2626 S 11th Street

Mayor's Neighborhood Round Table

There is a new text amendment proposed by Tom Beckius to increase penalties for hazardous driving, most of these would impact neighborhoods along O street, but could also apply to 9th, 10th, South, and 17th Streets, although racing is less common there.

UNFINISHED BUSINESS

Cleanup - April 26

KLLCB grant was submitted in March, and Mary Carol Bond approved it March 13th, for \$2,950 total. A hard copy of the grant is attached.

Signs were ordered based on last year's needs, tire limits added. Additional signs with QR codes are being provided by KLLCB to be split between the 3 NAs. Old signs have stickers to cover the date and put an updated one on them.

A check for \$100 will be provided to Judy to pay Star City Recycling the morning of the cleanup. Most board members volunteered for shifts, and individuals from SSCCO and IVNA are attending. Irvingdale equipment (Tables, signs, etc) will be delivered and stored in Isaac's garage.

Marathon Prep - May 4th

Cups at Costco were too expensive and too large. An order was placed on Amazon for 1,000 8oz paper cups and these were \$53.95 delivered to Judy Hart. Hart has made plans to get cups to site on May 4. The standing banner is easily blown over. It requires two large cinder or paving blocks on the base to stay upright.

Parting words:

This may be considered my official resignation as president and member of the board. After five years on the board, two of them as president, I want to thank the current and past members and officers. It has been a pleasure serving the community. I hope INA may grow the membership in the future and continue the great work it has accomplished in the past. My very best to you all!

- Mo Neal
