Mayor's Neighborhood Round Table

UNFINISHED BUSINESS

Lead Service Line Presentation

Allison from the water service department (Lincoln Transportation and Utilities) gave a presentation on the lead water line replacement program the city. Everyone west of 17th Street in Irvingdale is eligible for replacement if they have lead pipes, or contaminated galvanized (galvanized requiring replacement). The city will cover the cost of the replacement (via boring through the street at the service shutoff), and provide a \$100 credit for additional landscaping and interior replacements. 402-441-7571 Option 2

Cleanup 2025 Closeout

Kevin, at Star City Recycling, was a superb host, and there was a substantial amount of turnout from other neighborhood associations.

Marathon 2025 Closeout

The marathon was a fun event, if not a little early. It is mile 10, so a lot of the runners were showing up a little after 8, with the first few not stopping to get drinks.

It would be nice to have marathon tracking information

Membership Drive

Bryan Health 100 year birthday, Stransky Park Concerts, June Garage Sales, Pool Party, listed as potential membership drive events.

Bylaws

Goal is to have it completed by October membership meeting. It will need to be finalized in order for anyone interested to review it beforehand, so approved in August/September to be sent out to general membership.

Creek renaming, sign dedication

The dedication was well attended with nice weather. Most attendees were from Neighborhood Association and Eiseley Society. Irvingdale would like to continue fostering a partnership between the Eiseley Society and our neighborhood.

NEW BUSINESS

Membership Drive

Block out neighborhood for “getting to know your neighbor”

Heidi will send out Bingo card for review, presented that we schedule our annual events at the membership meeting and put them on the back of the Bingo card. Ask Megan on how IVNA does their membership drive? There are a few events, pool party, block party.

Have a post to have people post their dogs on Facebook, drive some online engagement. (get data about the neighborhood, share out fun facts about our neighborhood).

Tabled and added as an agenda item for next month’s meeting.

Creek Walk

Isaac Remboldt and Kendall Weyers would like to do a creek walk about the invasive species and general landscaping around the creek in Irving parks and others. Inviting the NRD and Parks/Rec to lead a walk

along the stream to discuss community forestry and park management. Lots of people are passionate about trees and our parks and may be a good way to get folks engaged.
