UNFINISHED BUSINESS

Bylaws Committee

- Send out to membership as an attachment on the minutes, submit any changes before next meeting and vote to approve at next board meeting.
- Procedural document containing how-tos, other procedural things, minor rules and regulations that need less of a lift to change.

Pool Party and Membership Drive Review

- Membership drive was very successful, and we would like to do it again next year.
- The pool party was lowly attended, but the date wasn't ideal and the weather was crummy so only a few families attended.
- Rosina is usually in charge of reserving the pool party, it's digital now so we need to get a date on when those open.
- Consider combining with Solstice Party?

NEW BUSINESS

Halloween Party and using the rec center more

- Dates for Halloween Party
- Do other neighborhood associations have them? Need to do research.

Brent Comstock for Regent visit request

- How to respond to candidates to attend a meeting. (Procedural document)
- Schedule a panel with local election candidates?
- March or April candidate board?
- Heidi will reach out with policy
- Isaac will reach out to other neighborhoods about coordinating with other neighborhoods
- Isaac will reach out to Amantha at KZUM about reporting on the event

Tree of Heaven Project

- Isaac is working with Parks and Rec on a management plan
 - Cody, Isaac, and Jess are planning to cut and treat a small area of TOH to test out management strategies.
 - Cody is interested in organizing a community forum as well.
